

Emerge Pascagoula Sponsorship Request 2018

Emerge Pascagoula falls under the Jackson County Chamber of Commerce's Pascagoula Area Council. We invite your company to become a sponsor for 2018, supporting our annual Blues at the Beach and projects of EmERGE. We are a group of professionals and community citizens with emerging ideas to engage, promote and advance Pascagoula.

Emerge exists to recruit, develop, connect, retain and empower emerging leaders to improve the quality of life in Pascagoula by advancing the group's interests into real changes that will make the city a better place to live, work and play. Our most successful efforts thus far are the **Pascagoula Proud** campaign – pascagoulaproud.com, the **Blues at the Beach** summer concert series as well as coordinating networking socials at local businesses for new or interested residents of Pascagoula, Pascagoula's community service organizations and Pascagoula's leadership. We are looking forward to our 6th year producing the *Blues at the Beach* concert series for the residents and visitors of Pascagoula every second Friday from April 13th to August 10th.

Our goal is to promote the already thriving businesses Pascagoula offers its residents and visitors. We also strive to increase awareness of new business as well as local news and events with our monthly newsletter. We try to involve and encourage our members to support projects produced by the Jackson County Chamber of Commerce, the City of Pascagoula as well as multiple community service organizations with a similar mission as EmERGE.

Please consider sponsoring EmERGE at any of the levels listed here. We certainly welcome anything your company is willing to provide helping us make Pascagoula a better place to live, work and play. We will promote all of our sponsors on the EmERGE website, social media pages, newsletters, *Blues at the Beach* events and in any other format available throughout the year with EmERGE. Thank you for your support!

Amy Chenoweth
